About Delta Line

Delta Line is a Saudi-based company specializing in professional event setup exhibition solutions, branding, and interior design for experiential spaces. We focus on organizing, preparing and executing event environments through structured planning, high-quality booth construction, visual branding, lighting display systems, along with integrated interactive elements.

By combining physical setup with smart technology, we create well organized and engaging spaces that enhance visitor interaction, communication, as well as brand presence. Our work is driven by precision, organization, and attention to detail, ensuring that every environment is visually coherent, functional, and aligned with the client's objectives.

Who We Are

specialized event setup and exhibition company delivering end-to-end venue preparation services for conferences, exhibitions, forums, and official events.

Our expertise lies in transforming empty spaces into organized, branded, and visitor friendly environments enhanced by interactive installations.

By integrating digital displays, touch-based interfaces, and interactive content stations, we create engaging experiences that allow audiences to interact, explore, and connect with event content in a clear and intuitive way.

Delta Line operates with a strong focus on execution quality, timeline commitment and professional on-site management.

Mini Exhibitions Experience

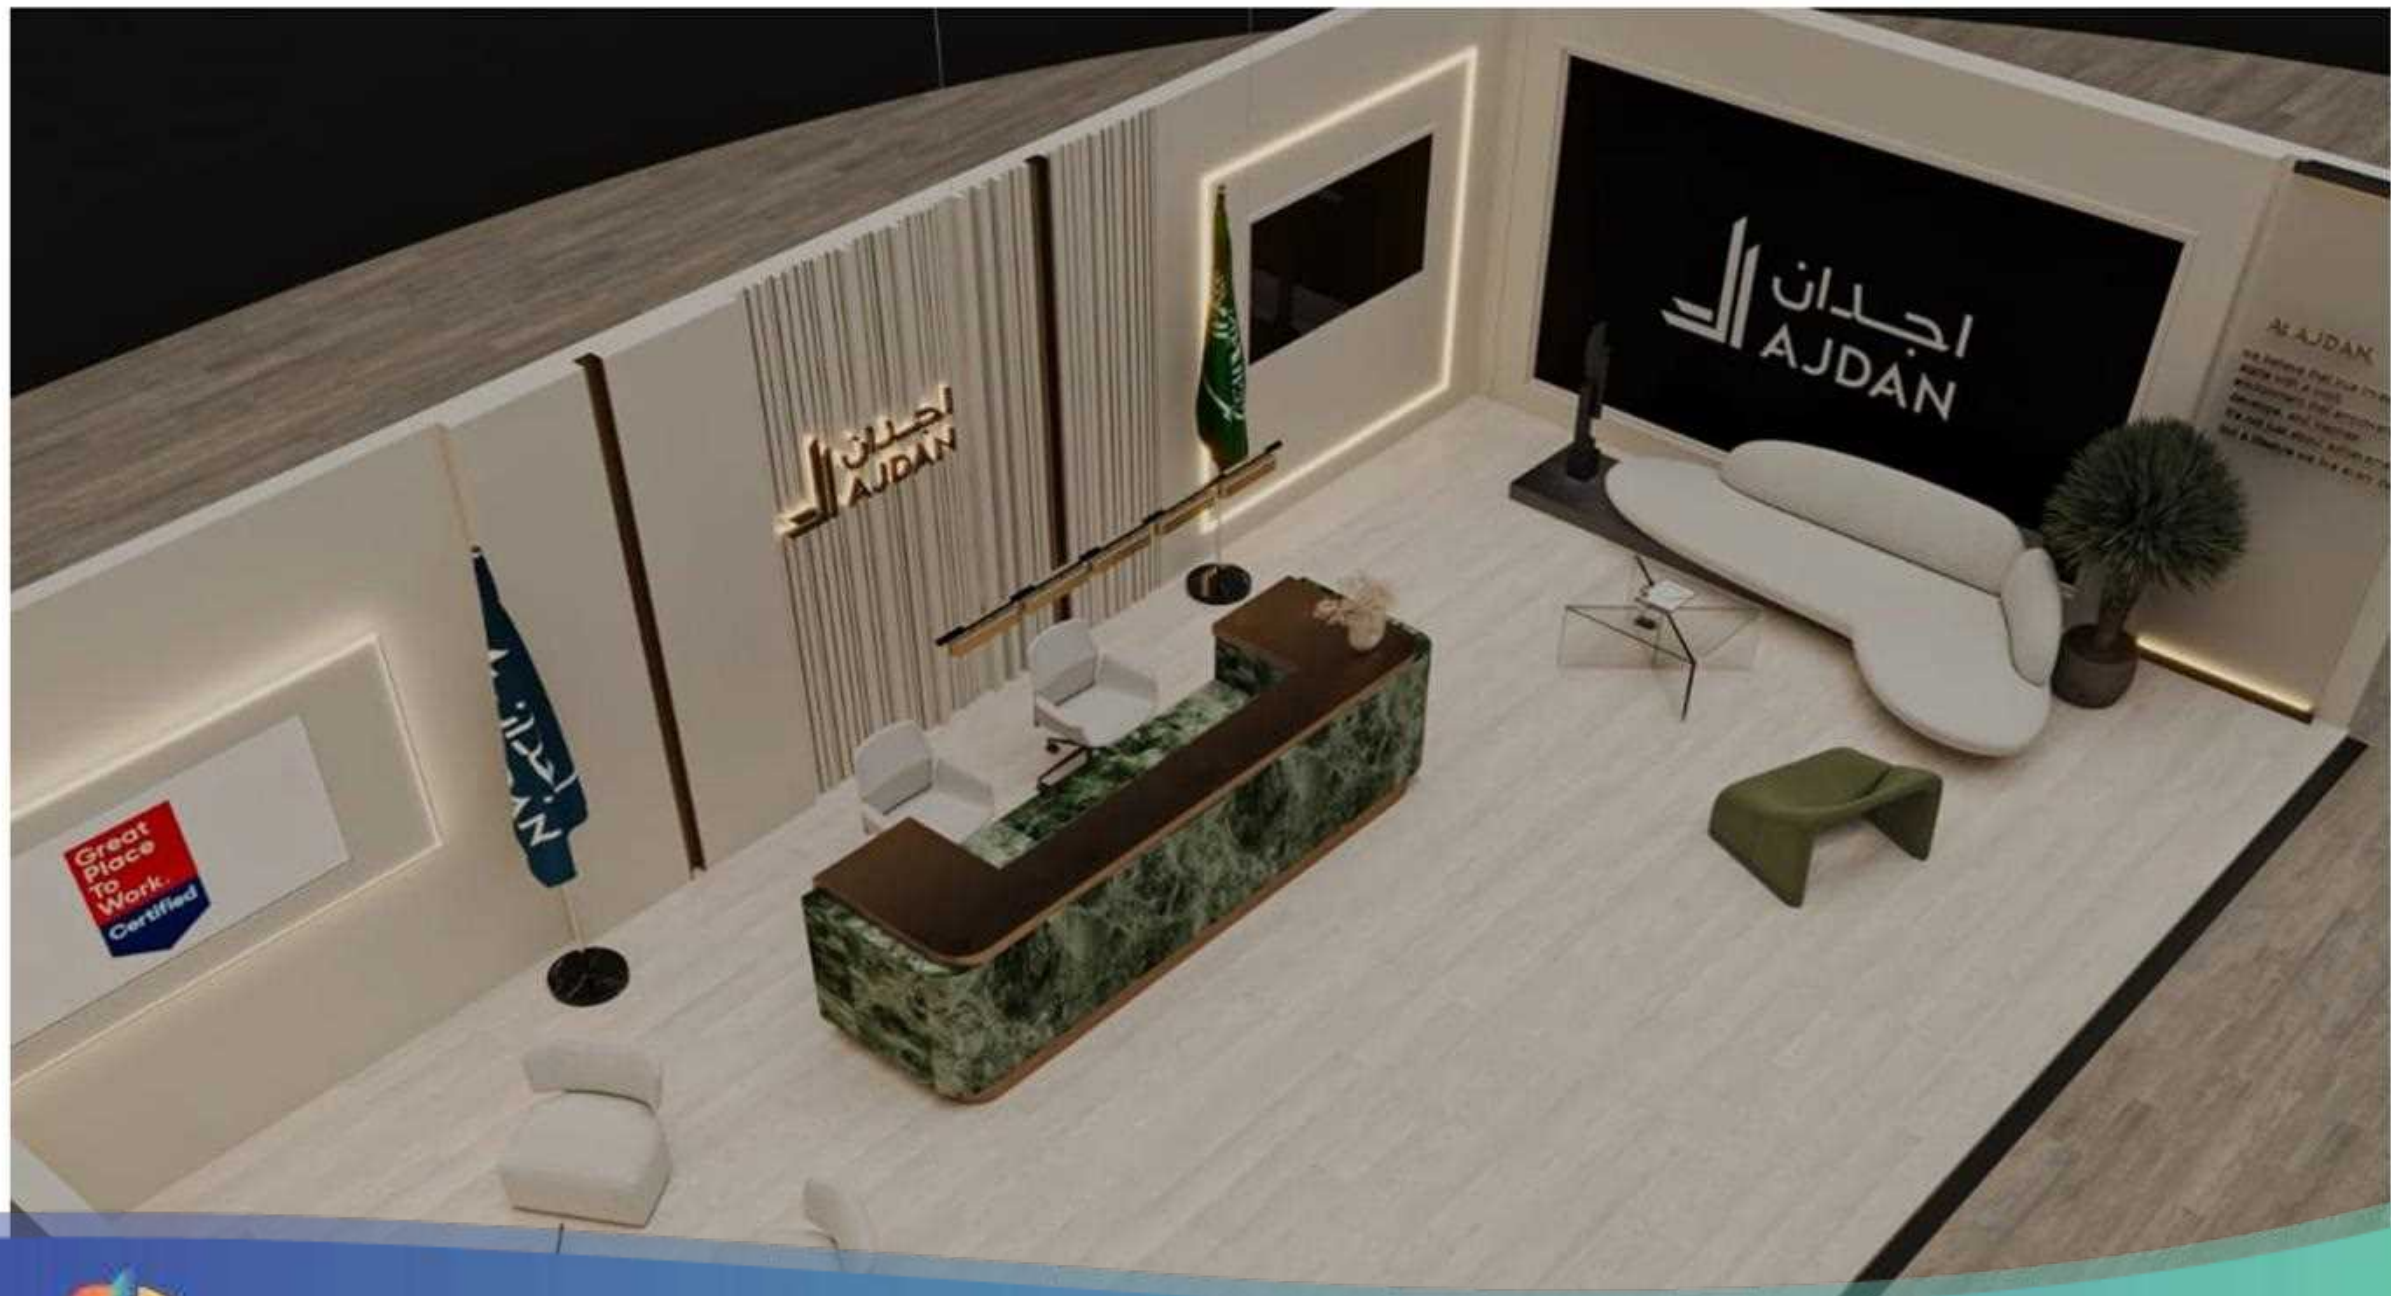

We create immersive mini exhibition experiences that transform spaces into engaging and visually impactful environments through creative design, lighting, and interactive branded elements. By blending innovation with strategic execution, we deliver compact exhibition concepts that maximize visitor engagement, strengthen brand identity, and create memorable experiences within limited spaces.

From concept development to final on-site implementation, our process focuses on creating cohesive and well-structured exhibition environments tailored to each brand's vision and objectives. Every detail is carefully considered to achieve a seamless balance between functionality, aesthetics, and audience interaction, resulting

Kiosks Design Experience

We create immersive kiosk environments that transform retail spaces into engaging and visually impactful experiences through creative design, lighting, and branded elements. By combining innovation with functional execution, we deliver cohesive kiosk concepts that enhance customer interaction, strengthen brand identity, and elevate the overall shopping experience.

From concept development to on-site implementation, our approach focuses on crafting organized, experience-driven kiosk spaces that maximize visibility and create meaningful connections with visitors. Every detail is carefully considered to ensure a seamless, functional and visually compelling environment.
